The best reasonable judgment of the value will be referred to as the fair value (FV) and it will be arrived at on the basis of the following in the manner describe in the subsequent paragraphs:

- Book Value (BV)
 - Market Value (MV) in the case of listed share
 - Profit Earning Capacity Value (PECV)
- The Fair Value of the equity shares has been decided keeping in mind of the Supreme Court's Decision in the case of Hindustan Lever Employees; Union Vs. Hindustan Lever Limited (1995) reported at (83 Company Cases 30) wherein the Apex Court has opined that the fair value of a Listed Company could be assessed based on weights:
- Since the company is a going concern weight of 1 has been assigned to Book value. Since the shares of the Company are very thinly traded/ infrequently traded for the past 12 months i.e. From January 2016 to December 2016 on BSE Limited and hence weight of 1 has been assigned to Market Value. Since Company's profit is inconsistent and there is no significant growth in net profit based on Audited Annual Accounts for last three years and hence weight of 1 is being assigned to PECV.

We are of the opinion that based on the information as referred to herein above; the Fair Value of the equity shares of TRC Financial Services Limited of Face Value of Rs. 10/- each is Rs. 2.93 per share.

5. The Offer Price of Rs. 18/- (Rupees Eighteen Only) per equity share is justified as it is more than the price determined in terms of Regulations 8(2) of SEBI (SAST) Regulations. The Offer Price is denominated and payable in Indian Rupees only.
6. There have been no corporate actions by the Target Company warranting adjustment of any of the relevant price parameters under Regulation 8(9) of the SEBI (SAST) Regulations.
7. There has been no revision in Offer Price or Offer Size as of the date of this DPS.
8. In case the Acquirer acquires or agrees to acquire any shares or voting rights in the Target Company during the offer period subject to the conditions contained in the rules and regulations that are applicable to Non Banking Financial Institutions, whether by subscription or purchase, at a price higher than the Offer price, the offer price shall stand revised to the highest price paid or payable for any such acquisition in terms of Regulation 8(8) of SEBI (SAST) Regulations. However, the Acquirer shall not acquire any equity shares of the Target Company after the third working day prior to the commencement of the tendering period and until the expiry of the tendering period.
9. An upward revision to the Offer Price or to the Offer Size, if any, on account of future purchases/ competing Offer or otherwise, may be done, subject to the conditions contained in the rules and regulations that are applicable to Non Banking Financial Institutions, at any time prior to the commencement of the last 3 working days before the date of commencement of the Tendering Period of this Offer in accordance with Regulation 18(4) of the SEBI (SAST) Regulations.
